## 2014 COURAGE TO GIVE BACK AWARDS

On January 16th, we hosted our 8th Annual Courage to Give Back Awards at the Cunard Centre. Thanks to our sponsors and community members for helping us raise **\$144,000!**

## HEALTHY KIDZ ACTIVITY ZONE

The Healthy Kidz Activity Zone is finally complete and our Healthy Kidz participants are gearing up for some fun in the sun, right in their own backyard!

With the support of Chebucto West Community Health Board, Telus, Ruberoc, Ambassatours, and Nova Scotia Department of Health and Wellness, we were able to renovate the Healthy Kidz backyard space in Greystone. A shock absorbing rubberized surface was installed along with fresh sod, and planter boxes for fresh herbs and veggies.

Thanks to Canadian Tire Jumpstart for providing sporting equipment to our kids.

The Healthy Kidz Activity Zone has become a fun and safe environment for children to be physically active on a daily basis, to be themselves, and feel a sense of belonging and inclusion
