We Are Growing!

Healthy Teenz Dartmouth North

The expansion of the Healthy Teenz program into Dartmouth North started in September 2014 as a pilot project. Due to its success, Healthy Teenz in Dartmouth North has been extended to become a permanent program.

The Healthy Teenz program is free and provides youth (ages 13 – 17) with leadership & mentoring skills, life skills & career development skills which will help to prevent the cycle of violence, crime and low income living in this community. Our goal is to enhance self-esteem, literacy, healthy relationships and pro-social choices in youth. The impact of this expansion has far exceeded our expectations. Initially we were expecting 15 registered participants, and we now have 30 youth currently registered.

Welcome!

Family SOS would like to welcome BRENDAN MAGUIRE GLEN HALFYARD and CHRIS HARKER to our Board of Directors. We are thrilled to have you as part of our team!

Our program is growing, thriving and making a real difference in the lives of our youth.

Funding for the Dartmouth North Healthy Teenz program is provided by RBC, the Intact Foundation, Halifax Assistance Fund, Howard Webster Foundation, TD Financial, and the Windsor Foundation.
